# Tree Cities of the World

Celebrating global leadership in urban and community forestry

**68** RECOGNISED CITIES

**17** COUNTRIES

Congratulations to the inaugural group of 68 cities recognised through the Tree Cities of the World programme. These cities are demonstrating leadership in management of their urban trees and are serving as part of the solution to many of the global issues we face today.

This recognition is a testament to their commitment to building a healthy city now *and* for the future.
